

Dorm Assistant Position Application

July in Paris

The ESA program works with several Paris dorms to offer housing to our students. Two or three students are selected each year to work at the dorms putting out breakfast, working at the reception desk and generally helping in the dorms. Students selected receive a free dorm space for their work. To apply for these positions, complete the application below and submit it to ESA, 424 Dorado Ter, San Francisco 94112 by **March 15**. Preference given to those who have completed the program in the past.

Application

Name _____

Tel. _____ Email _____

Address _____ City _____ ZIP _____

Have you lived a dorm before? What challenges are there for students new to dorm living? How would you help students new to dorm life?

Previous travel experience

Other work experience

Current ability in French

As the position requires some ability to lift and move things, do you accept that need? The positions require some early morning work and consistent reliability. How dependable are you?

Submit the application with a letter of recommendation. Feel free to use more space on the back to give more details to any of the above categories.
